### **6-MONTH HYDROSEEDING AIDE**

The Onondaga County Soil & Water Conservation District annually hires a 6-month “Hydroseeding Aide”. This person assists with the hydroseeding of 40 to 50 acres of municipal road ditches along active highways in Onondaga County. The position starts in April and goes through October. *This position is a great opportunity for somebody interested in a 600-hour internship!*

The ideal candidate for this position is comfortable around heavy equipment, can work in varying weather conditions, and can operate, drive, and perform basic maintenance/ upkeep to a Chevy Silverado 3500 HD dually pickup truck and tow an 800-gallon Finn T-90t-II hydroseeder. Training and safety gear are provided. The candidate works with the district’s full-time revegetation specialist.

The ideal candidate can perform “other duties as assigned”. These duties include, but are not limited to:

Assisting with stormwater outfall inspections and recording of data, planting trees and live stakes, hand removal of water chestnuts, installation of erosion and sediment control products. Training is provided!

The hourly wage for this position is \$17/hour. It is a Temporary, Full-Time position (positions less than 6 months and working 30 hours or more per week) according to Civil Service. *Please note, if there is not sufficient workload during a week, you will not be asked to report to duty.*

**Must have a valid driver’s license, safe driving experience and reliable daily transportation.**

**Please respond by March 4, 2023.**

Please contact Alyssa Derr at (315) 457-0325 or [aderr@OCSWCD.org](mailto:aderr@OCSWCD.org) with any questions or to submit a resume. This position will stay open until a candidate is selected. Thank you.

Revised 10/2022 AD

1. Are you able to work in a variety of weather conditions?
2. Are you able to lift 50 lbs.?
3. Do you have a valid driver's license without any infringements?
